IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, Altura Credit Union (the “Credit Union”) will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver’s license or other identifying documents.

AGREEMENT - This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which govern your account(s) with us. Please read this carefully and retain it for future reference. By opening or continuing to use this account, you acknowledge and agree to these terms and conditions. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please call us.

This agreement is subject to applicable federal laws, the laws of the state of California and other applicable rules and regulations of the National Credit Union Administration, the Federal Deposit Insurance Corporation, and the California Department of Business Oversight, among other regulatory bodies, and the payment processing system rules of the National Automated Clearing House Association (except to the extent that this agreement is permitted to vary from such rules or laws). The body of state and federal laws and regulations that govern our relationship with you, however, is too large and complex to be covered in its entirety here. The purpose of this document is to:

(1) summarize key laws and regulations that apply to common transactions;
(2) establish rules to cover transactions or events that existing laws and regulations are either silent or ambiguous about;
(3) establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
(4) provide you with disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document. Nothing in this document is intended to vary our duty to act in good faith and with ordinary care when required by law.

As used in this document the words “we,” “our,” and “us” mean the financial institution and the words “you” and “your” mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. However, this agreement does not intend, and the terms “you” and “your” should not be interpreted, to expand an individual’s responsibility for an organization’s liability. If this account is owned by a corporation, partnership or other organization, individual liability is determined by the laws generally applicable to that type of organization. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular.

BYLAWS - Our bylaws, which we may amend from time to time, establish basic rules about our credit union policies and operations which affect your account and membership. You may obtain a copy of the bylaws on request. Our right to require you to give us notice of your intention to withdraw funds from your account is described in the bylaws. Unless we have agreed otherwise, you are not entitled to receive any original item after it is paid, although you may request that we send you an item(s) or a copy of an item(s). Dividends are based on current earnings and available earnings of the Credit Union, after providing for required reserves.

LIABILITY - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these
charges, without notice to you, directly from the account balance as accrued. You agree to pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and the Credit Union will be permitted to deduct any amounts deposited into the account and apply those amounts to the shortage. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft.

You will be liable for our costs as well as for our reasonable attorneys’ fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account. This includes, but is not limited to, disputes between you and another joint owner; you and an authorized signer or similar party; or a third party claiming an interest in your account. You agree that such costs and attorneys’ fees may be deducted from your account, without notice to you.

BINDING ARBITRATION AND CLASS ACTION WAIVER: This section contains important information regarding your accounts and all related services. It provides that either you or we can require that any disputes be resolved by binding arbitration. Arbitration replaces the right to go to court, including the right to a jury trial and the right to participate in a class action or similar proceeding. In arbitration, the dispute is submitted to a neutral party, an arbitrator, instead of a judge or jury. Arbitration procedures may be more limited than rules applicable in court.

Agreement to Arbitrate Disputes - Either you or we may elect, without the other’s consent, to require that any dispute between us concerning your accounts and the services related to your accounts be resolved by binding arbitration, except for those disputes specifically excluded below.

No Class Action or Joinder of Parties - You acknowledge that you and we agree that no class action, class-wide arbitration, private attorney general action, or other proceeding where someone acts in a representative capacity, may be pursued in any arbitration or in any court proceeding, regardless of when the claim or cause of action arose or accrued, or when the allegations or facts underlying the claim or cause of action occurred. Unless mutually agreed to by you and us, claims of two or more persons may not be joined, consolidated, or otherwise brought together in the same arbitration (unless those persons are joint account holders or beneficiaries on your account and/or related accounts, or parties to a single transaction or related transaction), whether or not the claim may have been assigned.

Disputes Covered by Arbitration - You acknowledge that in arbitration, there will be no right to a jury trial. Any claim or dispute relating to or arising out of your accounts or our relationship will be subject to arbitration, regardless of whether that dispute arose before or after your receipt of this notice. Disputes include claims made as part of a class action, private attorney general or other representative action. It being expressly understood and agreed to that the arbitration of such claims must proceed on an individual (non-class, non-representative) basis and the arbitrator may award relief only on an individual (non-class, non-representative) basis. Disputes also include claims relating to the enforceability or interpretation of any of these arbitration provisions. Any questions about whether disputes are subject to arbitration shall be resolved by interpreting this arbitration provision in the broadest way the law will allow it to be enforced.

All disputes are subject to arbitration, no matter what legal theory they are based on, or what remedy (damages, or injunctive or declaratory relief) they seek. Disputes include any unresolved claims concerning any services relating to your accounts. Disputes include not only claims made directly by you, but also made by anyone connected with you or claiming through you, such as a joint account holder, account beneficiary, employee, representative, agent, predecessor or successor, heir, assignee, or trustee in bankruptcy. Disputes include not only claims that relate directly to the Credit Union, but also its parent, affiliates, successors, assignees, employees, and agents, and claims for which we may be directly or indirectly liable, even if we are not properly named at the time the claim is made. Disputes include claims based on any theory of law, contract, statute, regulation, tort (including fraud or any intentional tort), or any other legal or equitable ground, and include claims asserted as counterclaims, cross-claims, third-party claims,
interpleaders or otherwise; and claims made independently or with other claims. If a party initiates a proceeding in court regarding a claim or dispute which is included under this Binding Arbitration and Class Action Waiver provision, the other party may elect to proceed in arbitration pursuant to this Binding Arbitration and Class Action Waiver provision.

Disputes Excluded from Arbitration - Disputes filed by you or by us individually in a small claims court are not subject to arbitration, so long as the disputes remain in such court and advance only an individual (non-class, non-representative) claim for relief. However, if a matter in small claims court is removed, transferred, or appealed to a non-small claims court, that claim shall be subject to this Binding Arbitration and Class Action Waiver provision.

Commencing an Arbitration - The arbitration must be filed with one of the following neutral arbitration forums and follow its rules and procedures for initiating and pursuing an arbitration: American Arbitration Association or JAMS. If you initiate the arbitration, you must notify us in writing at:

Legal Department, Altura Credit Union
2847 Campus Parkway
Riverside, CA 92507

If we initiate the arbitration, we will notify you in writing at your last known address on file. You may obtain a copy of the arbitration rules for these forums, as well as additional information about initiating an arbitration by contacting these arbitration forums:

American Arbitration Association
1-800-778-7879 (toll-free)
www.adr.org

JAMS
1-800-352-5267 (toll-free)
www.jamsadr.com

The arbitration shall be conducted in the same city as the U.S. District Court closest to your home address, unless the parties agree to a different location in writing.

Administration of Arbitration - The arbitration shall be decided by a single, neutral arbitrator. The arbitrator will be either a lawyer with at least ten years experience or a retired or former judge selected in accordance with the rules of the arbitration forum. The arbitrator shall follow procedures and rules of the arbitration forum in effect on the date the arbitration is filed unless those rules and procedures are inconsistent with this arbitration provision, in which case this arbitration provision will prevail. Those provisions and rules may limit the discovery available to you or us. The arbitrator will take reasonable steps to protect customer account information and other confidential information if requested to do so by you or by us. The arbitrator shall decide the dispute in accordance with applicable substantive law consistent with the Federal Arbitration Act and applicable statutes of limitations, will honor claims of privilege recognized at law, and will be empowered to award any damages or other relief provided for under applicable law. The arbitrator will not have the power to award relief to, or against, any person who is not a party to the arbitration. An award in arbitration shall determine the rights and obligations between the named parties only, and only in respect of the claims in arbitration, and shall not have any bearing on the rights and obligations of any other person, or on the resolution of any other dispute. You or we may choose to have a hearing and be represented by counsel. The decision rendered by the arbitrator shall be in writing. At your or our request, the Arbitrator shall issue a written, reasoned decision following applicable law and relief granted must be relief that could be granted by the court under applicable law. Judgment on the arbitration award may be entered by any court of competent jurisdiction.

Costs - The party initiating the arbitration shall pay the initial filing fee. If you file the arbitration and an award is rendered in your favor, we will reimburse you for your filing fee. If there is a hearing, we will pay the fees and costs of the arbitration for the first day of that hearing. All other fees and costs will be allocated in accordance with the rules of the arbitration forum. However, we will advance or reimburse filing and other fees if the arbitrator rules that you cannot afford to pay them or finds other good cause for requiring us to do so, or if you ask us in writing and we determine there is good reason for doing so. Each party shall bear the expense of their respective attorneys, experts, and witnesses and
other expenses, regardless of who prevails, but a party may recover any or all costs and expenses from another party if the arbitrator, applying applicable law, so determines.

**Right to Resort to Provisional Remedies Preserved** - Nothing herein shall be deemed to limit or constrain our right to resort to self-help remedies, such as the right of set-off or the right to restrain funds in an account, to interplead funds in the event of a dispute, to exercise any security interest or lien we may hold in property, or to comply with legal process, or to obtain provisional remedies such as injunctive relief, attachment, or garnishment by a court having appropriate jurisdiction; provided, however, that you or we may elect to arbitrate any dispute related to such provisional remedies.

**Arbitration Award** - The arbitrator’s award shall be final and binding unless a party appeals it in writing to the arbitration forum within fifteen (15) calendar days of notice of the award or pursuant to the rules of the arbitration forum, whichever is later. The appeal must request a new arbitration before a panel of three neutral arbitrators selected in accordance with the rules of the same arbitration forum. The panel will consider all factual and legal issues anew, follow the same rules that apply to a proceeding using a single arbitrator, and make decisions based on the vote of the majority. Costs will be allocated in the same manner as allocated before a single arbitrator. An award by a panel is final and binding on the parties after fifteen (15) calendar days of notice of the award or pursuant to the rules of the arbitration forum, whichever is later. A final and binding award is subject to judicial intervention or review only to the extent allowed under the Federal Arbitration Act or other applicable law. A party may seek to have a final and binding award entered as a judgment in any court having jurisdiction.

**Governing Law** - You and we agree that our relationship includes transactions involving interstate commerce and that these arbitration provisions are governed by, and enforceable under, the Federal Arbitration Act. To the extent state law is applicable, the laws of the state of California shall apply.

**Severability and Survival** - These arbitration provisions shall survive: (a) the termination or changes to your accounts or any related services; (b) the bankruptcy of any party; and (c) the transfer or assignment of your accounts or any related services. If any portion of this Binding Arbitration and Class Action Waiver provision is deemed invalid or unenforceable, the remainder of this Binding Arbitration and Class Action Waiver provision shall remain in force. No portion of this Binding Arbitration and Class Action Waiver provision may be amended, severed, or waived absent a written agreement between you and us.

**Applicability** - This Binding Arbitration and Class Action Waiver provision will not apply to accounts covered under the Military Lending Act, the Servicemembers Civil Relief Act, and other applicable federal and state laws.

**Right to Opt Out of this Binding Arbitration and Class Action Waiver provision** - You may choose to opt out of this Binding Arbitration and Class Action Waiver provision by sending us written notice, as described below.

Agreement to the Binding Arbitration and Class Action Waiver provision:

1. If you agree to be bound by the above Binding Arbitration and Class Action Waiver provision, then no action is needed on your part.

Opting Out of the Binding Arbitration and Class Action Waiver provision:

1. If you do not agree to be bound by this Binding Arbitration and Class Action Waiver provision, you must send us written notice that you are opting out of the Binding Arbitration and Class Action Waiver provision within thirty (30) calendar days of account opening or within thirty (30) calendar days of receiving this notice, whichever is sooner, along with the following information:
   a. Your written notice must include: your name, as listed on your account, your account number, and a statement that you are opting out of the Binding Arbitration and Class Action Waiver provision, and;
   b. You must send your written notice to us at the following address:
      Legal Department, Altura Credit Union
      2847 Campus Parkway
      Riverside, CA 92507
Effective Date - This Binding Arbitration and Class Action Waiver provision is effective upon the 31st calendar day ("Effective Date") of account opening or your receipt of this notice, whichever is sooner, unless you opt-out in accordance with the procedures cited above.

Claims Arising Prior to Effective Date - This Binding Arbitration and Class Action Waiver provision applies to all claims that are filed after the Effective Date, even if the claim arises out of, affects, or relates to conduct that occurred prior to the Effective Date.

DEPOSITS - We will provide only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Before settlement of any item becomes final, we act only as your agent, regardless of the form of endorsement or lack of endorsement on the item and even though we provide you provisional credit for the item. We may reverse any provisional credit for items that are lost, stolen, or returned. Unless prohibited by law, we also reserve the right to charge back to your account the amount of any item deposited to your account or cashed for you which was initially paid by the payor bank and which is later returned to us due to an allegedly forged, unauthorized or missing endorsement, claim of alteration, encoding error or other problem which in our judgment justifies reversal of credit. You authorize us to attempt to collect previously returned items without giving you notice, and in attempting to collect we may permit the payor bank to hold an item beyond the midnight deadline. Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after our "daily cutoff time" on a business day we are open, or received on a day we are not open for business, as if initiated on the next business day that we are open. At our option, we may take an item for collection rather than for deposit. If we accept a third-party check for deposit, we may require any third-party endorsers to verify or guarantee their endorsements, or endorse in our presence. We do not accept third party checks for deposit.

WITHDRAWALS -

Generally - Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each other person who signs or has authority to make withdrawals to endorse any item payable to you or your order for deposit to this account or any other transaction with us.

Postdated checks - A postdated check is one which bears a date later than the date on which the check is written. We may properly pay and charge your account for a postdated check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable opportunity to act. Because we process checks mechanically, this written notice will not be effective and we will not be liable for failing to honor this written notice unless it precisely identifies the number, date, amount and payee of the item.

Checks and withdrawal rules - If you do not purchase your check blanks from us, you must be certain that we approve the check blanks you purchase. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us or by any method we do not specifically permit. We may refuse any withdrawal or transfer request which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. In addition, we may place limitations on the account until your identity is verified. Even if we honor a nonconforming request, we are not required to do so later. If you violate the stated transaction limitations (if any), in our discretion we may close your account or reclassify it as a transaction account. If we reclassify your account, your account will be subject to the fees and earnings rules of the new account classification. If we are presented with an item drawn against your account that would constitute a “substitute check,” as defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item.
See the funds availability policy disclosure for information about when you can withdraw funds you deposit. For those accounts to which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal. An item may be returned after the funds from the deposit of that item are made available for withdrawal. In that case, we will reverse the credit of the item. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item for insufficient funds at any time between the time we receive the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

**YOUR CHECKING ACCOUNT BALANCE** - Your checking account has two kinds of balances: the “actual” balance (also referred to as: Balance, Total, Current Balance and Ledger Balance) and the “available” balance. Both can be checked when you review your account online, through mobile banking, at an ATM, by phone, or at a branch. It is important to understand how the two balances work so that you understand how each balance might affect your ability to transact on your checking account and whether you might incur overdraft fees. This section explains actual and available balances and how each balance works.

Your **actual balance** is the full amount of money that can be in your account at any given time. It reflects the full amount of any deposits made to your account without regard to any portion of a deposit that may be on “hold.” It also reflects payment transactions that have “posted” to your account, but not payment transactions that have been authorized and are pending (see the section below “A temporary debit authorization hold affects your available balance” for more information and the definition below of “available balance”). While the term “actual” may sound as though the number you see is an up-to-date display of what is in your account that you can spend, that is not always the case. Any holds on deposits, holds on funds authorized for purchases, payments, fees and other charges made on your account that have not yet posted will not appear in your actual balance.

**Actual balance is used to determine when your account is overdrawn.** For example, if you have a $120 actual balance, but you just wrote a check for $100, then your money left to spend before being overdrawn is $20 because your actual balance does not reflect the pending check transaction. If you also swipe your debit card at a restaurant for $40 which is authorized but has not posted to your account; the actual balance is still $120, but you have spent $140. The check clears your account which reduces your actual balance to $20. When the authorized debit card transaction posts, your actual balance will be overdrawn by $20. An overdraft fee will be deducted from your account further reducing the actual balance.

Your **available balance** takes into account things like holds placed on deposits and pending transactions (such as pending debit card purchases) that the credit union has authorized but that have not yet posted to your account (see the section below “A temporary debit authorization hold affects your available balance”). It is a useful tool to keep track of debit card purchases that you have authorized the credit union to pay but have not yet posted to your actual balance.

**A temporary debit authorization hold affects your available balance** - On debit card purchases, merchants may request a temporary hold on your account for a specified sum of money, which may be more than the actual amount of your purchase. When this happens, our processing system cannot determine that the amount of the hold exceeds the actual amount of your purchase. This temporary hold, and the amount charged to your account, will eventually be adjusted to the actual amount of your purchase, but it may be up to three days before the adjustment is made. Until the adjustment is made, the amount of funds in your account available for other transactions will be reduced by the amount of the temporary hold. If another transaction is presented for payment in an amount greater than the funds left after the deduction of the temporary hold amount, that transaction may not be authorized unless you have set up overdraft protection or courtesy pay on your account.

**Overdrafts** - You understand that we may, at our discretion, honor withdrawal requests that overdraw your account. However, the fact that we may honor withdrawal requests that overdraw the account balance does not obligate us to do so later. So you can NOT rely on us to pay overdrafts on your account regardless of how frequently or under what circumstances we have paid overdrafts on your account in the past. We
can change our practice of paying overdrafts on your account without notice to you. You can ask us if we have other account services that might be available to you where we commit to paying overdrafts under certain circumstances, such as an overdraft protection line-of-credit or a plan to sweep funds from another account you have with us. You agree that we may charge fees for overdrafts. We may use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees. **We may return items unpaid.** We are not obligated to pay any item presented for payment if your account does not contain sufficient available funds. If we do not authorize and pay an overdraft, then we decline or return the transaction/item as unpaid and charge a related NSF fee. You are responsible for ensuring that your account includes sufficient available funds to pay the transactions you initiate or authorize when they are processed for payment from your account, and you also acknowledge that the timing of when merchants or payees submit transactions to us for payment may vary. If your account does not have sufficient funds available when a transaction/item is presented to us for payment and, as a result, returned unpaid, the merchant or payee of your transaction/item may choose to resubmit the same transaction/item, and may do so multiple times. In the event that a transaction/item is resubmitted for payment at a time when your account lacks sufficient available funds to pay it and we decline it, we will charge a related NSF fee each time that same transaction/item is returned unpaid.

**Multiple signatures, electronic check conversion, and similar transactions** - An electronic check conversion transaction is a transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Fund Transfers regulation. In these types of transactions the check or similar item is either removed from circulation (truncated) or given back to you. As a result, we have no opportunity to review the check to examine the signatures on the item. You agree that, as to these or any items as to which we have no opportunity to examine the signatures, you waive any requirement of multiple signatures.

**Ownership of Account and Beneficiary Designation** - These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds. As used in this agreement “party” means a person who, by the terms of the account, has a present right, subject to request, to payment from a multiple-party account other than as an agent.

**Individual Account** - is an account in the name of one person.

**Joint Account** - This account or certificate is owned by the named parties. Upon the death of any of them, ownership passes to the survivor(s).

**P.O.D. Account with Single Party** - This account or certificate is owned by the named party. Upon the death of that party, ownership passes to the named pay-on-death payee(s).

**P.O.D. Account with Multiple Parties** - This account or certificate is owned by the named parties. Upon the death of any of them, ownership passes to the survivor(s). Upon the death of all of them, ownership passes to the named pay-on-death payee(s).

**STOP PAYMENTS** - Unless otherwise provided, the rules in this section cover stopping payment of items such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. If we have not disclosed these rules to you elsewhere, you may ask us about those rules.

We may accept an order to stop payment on any item from any one of you. You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. Because stop-payment orders are handled by computers, to be effective, your stop-payment order must precisely identify the number, date, and amount of the item, and the payee. You may stop payment on any item drawn on your account whether you sign the item or not. Generally, if your stop-payment order is given to us in writing it is effective for six months. Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. If the original stop-payment order was oral your stop-payment order will lapse after 14 calendar days if you do not confirm your order in writing within that time period. We are not
obligated to notify you when a stop-payment order expires. A release of the stop-payment request may be made only by the person who initiated the stop-payment order.

If you stop payment on an item and we incur any damages or expenses because of the stop payment, you agree to indemnify us for those damages or expenses, including attorneys’ fees. You assign to us all rights against the payee or any other holder of the item. You agree to cooperate with us in any legal actions that we may take against such persons. You should be aware that anyone holding the item may be entitled to enforce payment against you despite the stop-payment order.

TRANSFER LIMITATIONS - For savings and money market accounts you may make up to six transfers or withdrawals by means of a preauthorized, automatic, or telephonic transfer to another account of yours or to a third party or by check, debit card, or similar order to a third party during any calendar month (or statement cycle of at least four weeks). A preauthorized transfer includes any arrangement with us to pay a third party from your account at (i) a predetermined time; (ii) on a fixed schedule or (iii) upon oral or written orders including orders received through the automated clearing house (ACH). If the transfer or withdrawal is initiated in person, by mail, or at an ATM then there is no limit on the number of payments that may be made directly to you, directly to us for amounts you owe us, or transfers to other accounts you have with us. Withdrawals by phone are also unlimited if you are requesting that a check be mailed to you.

AMENDMENTS AND TERMINATION - We may change our bylaws and any term of this agreement. Rules governing changes in rates are provided separately in the Truth-in-Savings disclosure or in another document. For other changes we will give you reasonable notice in writing or by any other method permitted by law. We may close this account if your membership in the Credit Union terminates, or by giving reasonable notice to you and tender of the account balance personally or by mail. Items presented for payment after the account is closed may be dishonored. When you close your account, you are responsible for leaving enough money in the account to cover any outstanding items and charges to be paid from the account. Reasonable notice depends on the circumstances, and in some cases such as when we cannot verify your identity or we suspect fraud, it might be reasonable for us to give you notice after the change or account closure becomes effective. For instance, if we suspect fraudulent activity with respect to your account, we might immediately freeze or close your account and then give you notice. At our option, we may suspend your rights to member services if you violate the terms of this agreement. If we have notified you of a change in any term of your account and you continue to have your account after the effective date of the change, you have agreed to the new term(s).

NOTICES - Any written notice you give us is effective when we actually receive it, and it must be given to us according to the specific delivery instructions provided elsewhere, if any. We must receive it in time for us to have a reasonable opportunity to act on it. If the notice is regarding a check or other item, you must give us sufficient information to be able to identify the check or item, including the precise check or item number, amount, date and payee. Written notice we give you is effective when it is deposited in the United States mail with proper postage and addressed to the mailing address that we have on file. Notice to any of you is notice to all of you.

STATEMENTS - Statements are a valuable tool to help prevent fraudulent or mistaken transfers. Your statement will show the transactions that occurred in connection with your account during the statement period. Your duty to report unauthorized signatures, alterations and forgeries - Your statement will provide sufficient information for you to reasonably identify the items paid (item number, amount, and date of payment). You should keep a record of each transaction as it is made so that when we give you the information in the statement, you will have a complete understanding of each transaction listed.

You have some responsibilities in connection with your statement. You must examine your statement with “reasonable promptness.” Also, if you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you must bear the loss entirely yourself or share the loss with us (we may have to share some of the loss if we failed to use ordinary care and if we contributed to the loss). The loss you might bear, in whole or part, could
be not only with respect to items listed on the statement, but also other items with unauthorized signatures or alterations by the same wrongdoer. Of course, an attempt can be made to recover the loss from the thief, but this is often unsuccessful.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but you will not, in any circumstance, have a total of more than 30 days from when we first send or make the statement available to you.

You further agree that if you fail to report any unauthorized signatures, alterations or forgeries in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether we exercised ordinary care. The limitation in this paragraph is in addition to those contained in the second paragraph of this section.

Contact us if you do not receive your regular statement. If this is a business account, you agree that you will have at least two people review your statements, notices, and returned checks, or in the alternative, the person who reviews these will be someone who does not have authority to transact business on the account.

Your duty to report other errors - In addition to the California Commercial Code and other state law, you agree there is a common law duty to promptly review your statement for errors in addition to unauthorized signatures, alterations or forgeries. Promptly reviewing your statement is valuable to both you and us because it can help identify, correct and prevent future mistakes.

In addition to your duty to review your statements for unauthorized signatures, alterations and forgeries, you agree to examine your statement with reasonable promptness for any other error - such as an encoding error. In addition, if you receive or we make available either your items or images of your items, you must examine them for any unauthorized or missing endorsements or any other problems. You agree that the time you have to examine your statement and items and report to us will depend on the circumstances. However, this time period shall not exceed 60 days. Failure to examine your statement and items and report any errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any errors on items identified in that statement and as between you and us the loss will be entirely yours. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the 60 day time period to report other errors.

ACCOUNT TRANSFER - This account may not be transferred or assigned without our prior written consent.

DIRECT DEPOSITS - If we are required for any reason to reimburse the federal government for all or any portion of a benefit payment that was directly deposited into your account, you authorize us to deduct the amount of our liability to the federal government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

RIGHT TO REPAYMENT OF INDEBTEDNESS - You each agree that we may (without prior notice and when permitted by law) charge against and deduct from this account any due and payable debt any of you owe us now or in the future, to the extent of your liability as a partner for the partnership debt. If your debt arises from a promissory note, then the amount of the due and payable debt will be the full amount we have demanded, as entitled under the terms of the note, and this amount may include any portion of the balance for which we have properly accelerated the due date.

In addition to these contract rights, we may also have rights under a “statutory lien.” A “lien” on property is a creditor’s right to obtain ownership of the property in the event a debtor defaults on a debt. A “statutory lien” is one created by federal or state statute. If federal or state law provides us with a statutory lien, then we are authorized to apply, without prior notice, your shares and dividends to any debt you owe us, in accord with the statutory lien.

Neither our contract rights nor rights under a statutory lien apply to this account if prohibited by law. For example, neither our contract rights nor rights under a statutory lien apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is
created by a consumer credit transaction under a credit card plan (but
this does not affect our rights under any consensual security interest), or
(c) the debtor’s right of withdrawal arises only in a representative
capacity. We will not be liable for the dishonor of any check or draft
when the dishonor occurs because we charge and deduct an amount you
owe us from your account. You agree to hold us harmless from any claim
arising as a result of our exercise of our right to repayment.

**COLLECTION COSTS**

In the event collection efforts are required to obtain payment on this or
any other account, You agree to pay all costs of collection, including but
not limited to court costs, private process server fees, investigation fees,
reasonable attorney fees incurred in the course of collecting any amounts
owed under this Agreement or in the recovery of any collateral, or other
costs incurred by Us.

In the event of Your default, You agree and understand that the Credit
Union may retain the services of a collection agency and pay such agency
a fee calculated on a percentage basis, in an amount not in excess of 25%
of the unpaid debt after default, and You agree that the amount of such
fee will be Our actual cost of collection, exclusive of any court costs and
You agree to pay these amounts.

**RESTRICTIVE LEGENDS OR ENDORSEMENTS** - The automated processing
of the large volume of checks we receive prevents us from inspecting or
looking for restrictive legends, restrictive endorsements or other special
instructions on every check. Examples of restrictive legends placed on
checks are “must be presented within 90 days” or “not valid for more
than $1,000.00.” The payee’s signature accompanied by the words “for
deposit only” is an example of a restrictive endorsement. For this reason,
we are not required to honor any restrictive legend or endorsement or
other special instruction placed on checks you write unless we have
agreed in writing to the restriction or instruction. Unless we have agreed
in writing, we are not responsible for any losses, claims, damages, or
expenses that result from your placement of these restrictions or
instructions on your checks.

**PAYMENT ORDER OF ITEMS** - The law permits us to pay items (such as
checks or drafts) drawn on your account in any order. To assist you in
handling your account with us, we are providing you with the following
information regarding how we process the items that you authorize for
payment. When processing drafts drawn on your account, our policy is to
pay them according to the draft number. This should result in us paying
drafts in the order you write them. When processing ACH items drawn on
your account, our policy is to pay them according to the order received.
If an item is presented without sufficient funds in your account to pay it,
we may, at our discretion, pay the item (creating an overdraft) or return
the item (NSF). The amounts of the overdraft and NSF fees are disclosed
in the Credit Union’s Fee Schedule. We encourage you to make careful
records and practice good account management. This will help you to
avoid writing checks or drafts without sufficient funds and incurring the
resulting fees.

**FACSIMILE SIGNATURES** - Unless you make advance arrangements with
us, we have no obligation to honor facsimile signatures on your checks or
other orders. If we do agree to honor items containing facsimile
signatures, you authorize us, at any time, to charge you for all checks,
drafts, or other orders, for the payment of money, that are drawn on us.
You give us this authority regardless of by whom or by what means the
facsimile signature(s) may have been affixed so long as they resemble
the facsimile signature specimen filed with us, and contain the required
number of signatures for this purpose. You must notify us at once if you
suspect that your facsimile signature is being or has been misused.

**PLEDGES** - Each owner of this account may pledge all or any part of the
funds in it for any purpose to which we agree. Any pledge of this account
must first be satisfied before the rights of any surviving account owner or
account beneficiary become effective. For example, if an account has
two owners and one of the owners pledges the account (i.e., uses it to
secure a debt) and then dies, (1) the surviving owner’s rights in this
account do not take effect until the debt has been satisfied, and (2) the
debt may be satisfied with the funds in this account.

**CHECK PROCESSING** - We process items mechanically by relying solely on
the information encoded in magnetic ink along the bottom of the items.
This means that we do not individually examine all of your items to
determine if the item is properly completed, signed and endorsed. We do not
to determine if it contains any information other than what is encoded in
magnetic ink. You agree that we have exercised ordinary care if our
automated processing is consistent with general banking practice, even though we do not inspect each item. Because we do not inspect each item, if you write a check to multiple payees, we can properly pay the check regardless of the number of endorsements unless you notify us in writing that the check requires multiple endorsements. We must receive the notice in time for us to have a reasonable opportunity to act on it, and you must tell us the precise date of the check, amount, check number and payee. We are not responsible for any unauthorized signature or alteration that would not be identified by a reasonable inspection of the item. Using an automated process helps us keep costs down for you and all account holders.

CHECK CASHING - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft or other instrument written on your account. We may also require reasonable identification to cash such a check, draft or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical and may include collecting a thumbprint or fingerprint.

UNCLAIMED PROPERTY NOTICE - Your property may be transferred to the appropriate state if no activity occurs in the account within the time period specified by state law.

MEDALLION SIGNATURE GUARANTEE - The Credit Union offers Medallion Signature Guarantees to members who have had an active share or loan for at least 6 months.

ENDORSEMENTS - We may accept for deposit any item payable to you or your order, even if they are not endorsed by you. We may give cash back to any one of you. We may supply any missing endorsement(s) for any item we accept for deposit or collection, and you warrant that all endorsements are genuine.

To ensure that your check or share draft is processed without delay, you must endorse it (sign it on the back) in a specific area. Your entire endorsement (whether a signature or a stamp) along with any other endorsement information (e.g. additional endorsements, ID information, driver’s license number, etc.) must fall within 1 1/2" of the “trailing edge” of a check. Endorsements must be made in blue or black ink, so that they are readable by automated check processing equipment.

As you look at the front of a check, the “trailing edge” is the left edge. When you flip the check over, be sure to keep all endorsement information within 1 1/2" of that edge.

It is important that you confine the endorsement information to this area since the remaining blank space will be used by others in the processing of the check to place additional needed endorsements and information. You agree that you will indemnify, defend, and hold us harmless for any loss, liability, damage or expense that occurs because your endorsement, another endorsement or information you have printed on the back of the check obscures our endorsement.

These endorsement guidelines apply to both personal and business checks.
DEATH OR INCOMPETENCE - You agree to notify us promptly if any person with a right to withdraw funds from your account(s) dies or is adjudicated (determined by the appropriate authority) incompetent. We may continue to honor your checks, items, and instructions until: (a) we know of your death or adjudication of incompetence, and (b) we have had a reasonable opportunity to act on that knowledge. You agree that we may pay or certify checks drawn on or before the date of death or adjudication of incompetence for up to ten (10) days after your death or adjudication of incompetence unless ordered to stop payment by someone claiming an interest in the account.

FIDUCIARY ACCOUNTS - Accounts may be opened by a person acting in a fiduciary capacity. A fiduciary is someone who is appointed to act on behalf of and for the benefit of another. We are not responsible for the actions of a fiduciary, including the misuse of funds. This account may be opened and maintained by a person or persons named as a trustee under a written trust agreement, or as executors, administrators, or conservators under court orders. You understand that by merely opening such an account, we are not acting in the capacity of a trustee in connection with the trust nor do we undertake any obligation to monitor or enforce the terms of the trust or letters.

LEGAL ACTIONS AFFECTING YOUR ACCOUNT - If we are served with a subpoena, restraining order, writ of attachment or execution, levy, garnishment, search warrant, or similar order relating to your account (termed “legal action” in this section), we will comply with that legal action. Or, in our discretion, we may freeze the assets in the account and not allow any payments out of the account until a final court determination regarding the legal action. We may do these things even if the legal action involves less than all of you. In these cases, we will not have any liability to you if there are insufficient funds to pay your items because we have withdrawn funds from your account or in any way restricted access to your funds in accordance with the legal action. Any fees or expenses we incur in responding to any legal action (including, without limitation, attorneys’ fees and our internal expenses) may be charged against your account. The list of fees applicable to your account(s) provided elsewhere may specify additional fees that we may charge for certain legal actions.

SECURITY - It is your responsibility to protect the account number(s) and access device(s) (e.g., an ATM card, point-of-sale card and/or PIN) for your account(s). Do not discuss, compare, or share information about your account number(s) or access device(s) with anyone unless you are willing to give them full use of your money. Checks and electronic withdrawals are processed by automated methods, and anyone who obtains your account number or access device could use it to withdraw money from your account, with or without your permission. Except for consumer electronic fund transfers subject to Regulation E, you agree that if we offer you services appropriate for your account to help identify and limit fraud or other unauthorized transactions against your account, such as positive pay or commercially reasonable security procedures, and you reject those services, you will be responsible for any fraudulent or unauthorized transactions which could have been prevented by the services we offered, unless we acted in bad faith or to the extent our negligence contributed to the loss.

Account numbers - Thieves can encode your account number on a check which looks and functions like an authorized check and can be used to withdraw money from your account. Your account number can also be used to issue a “remotely created check.” Like a typical check, a remotely created check (sometimes called a telecheck, preauthorized draft or demand draft) is a draft or check that can be used to withdraw money from your account. Unlike a typical check or draft, however, a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). If you have truly authorized the remotely created check (to purchase a service or merchandise, for example), it is properly payable. But it can be risky to authorize a remotely created check. A swindler could issue a remotely created check in an amount greater than you authorized, or issue additional remotely created checks that you have not authorized. We will not know if the withdrawal is unauthorized or in an amount greater than the amount you have authorized. Payment can be made from your account even though you did not contact us directly and order the payment.

Access devices - If you furnish your access device and grant actual authority to make transfers to someone who then exceeds that authority, you will be liable for the transfers unless we have been notified that
transfers by that person are no longer authorized. Please review the additional information you have received or will receive regarding transfers by access device.

Blank checks - You must also take precaution in safeguarding your blank checks. Notify us at once if you think your blank checks have been lost or stolen. As between you and us, if you are negligent in safeguarding your checks, you must bear the loss entirely yourself, or share the loss with us if we failed to use ordinary care which substantially contributes to the loss.

MONITORING AND RECORDING TELEPHONE CALLS AND CONSENT TO RECEIVE COMMUNICATIONS - Subject to federal and state law, we may monitor or record phone calls for security reasons, to maintain a record and to ensure that you receive courteous and efficient service. You consent in advance to any such recording.

To provide you with the best possible service in our ongoing business relationship for your account we may need to contact you about your account from time to time by telephone, text messaging or email. However, we first obtain your consent to contact you about your account in compliance with applicable consumer protection provisions in the federal Telephone Consumer Protection Act of 1991 (TCPA), CAN-SPAM Act and their related federal regulations and orders issued by the Federal Communications Commission (FCC).

- Your consent is limited to your account, and as authorized by applicable law and regulations.
- Your consent is voluntary and not conditioned on the purchase of any product or service from us.

With the above understandings, you authorize us to contact you regarding your account throughout its existence using any telephone numbers or email addresses that you have previously provided to us by virtue of an existing business relationship or that you may subsequently provide to us. This consent is regardless of whether the number we use to contact you is assigned to a landline, a paging service, a cellular wireless service, a specialized mobile radio service, other radio common carrier service or any other service for which you may be charged for the call. You further authorize us to contact you through the use of voice, voice mail and text messaging, including the use of pre-recorded or artificial voice messages and an automated dialing device.

If necessary, you may change or remove any of the telephone numbers or email addresses at any time using any reasonable means to notify us.

CLAIM OF LOSS - If you claim a credit or refund because of a forgery, alteration, or any other unauthorized withdrawal, you agree to cooperate with us in the investigation of the loss, including giving us an affidavit containing whatever reasonable information we require concerning your account, the transaction, and the circumstances surrounding the loss. You will notify law enforcement authorities of any criminal act related to the claim of lost, missing, or stolen checks or unauthorized withdrawals. We will have a reasonable period of time to investigate the facts and circumstances surrounding any claim of loss. Unless we have acted in bad faith, we will not be liable for special or consequential damages, including loss of profits or opportunity, or for attorneys’ fees incurred by you.

You agree that you will not waive any rights you have to recover your loss against anyone who is obligated to repay, insure, or otherwise reimburse you for your loss. You will pursue your rights or, at our option, assign them to us so that we may pursue them. Our liability will be reduced by the amount you recover or are entitled to recover from these other sources.

ADDRESS OR NAME CHANGES - You are responsible for notifying us of any change in your address or your name. Unless we agree otherwise, change of address or name must be made in writing by at least one of the account holders. Informing us of your address or name change on a check reorder form is not sufficient. We will attempt to communicate with you only by use of the most recent address you have provided to us. If provided elsewhere, we may impose a service fee if we attempt to locate you.

RESOLVING ACCOUNT DISPUTES - We may place an administrative hold on the funds in your account (refuse payment or withdrawal of the funds) if it becomes subject to a claim adverse to (1) your own interest; (2) others claiming an interest as survivors or beneficiaries of your account; or (3) a claim arising by operation of law. The hold may be placed for such period of time as we believe reasonably necessary to allow a legal proceeding to determine the merits of the claim or until we receive evidence satisfactory to us that the dispute has been resolved. We will not be liable for any items that are dishonored as a consequence of placing a hold on funds in your account for these reasons.
ACH AND WIRE TRANSFERS - This agreement is subject to Article 4A of the Uniform Commercial Code - Fund Transfers as adopted in the state in which you have your account with us. If you originate a fund transfer and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such payment, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. Credit entries may be made by ACH. If we receive a payment order to credit an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

POWER OF ATTORNEY - You may wish to appoint an agent to conduct transactions on your behalf. (We, however, have no duty or agreement whatsoever to monitor or insure that the acts of the agent are for your benefit.) This may be done by allowing your agent to sign in that capacity on the signature card or by separate form, such as a power of attorney. A power of attorney continues until your death or the death of the person given the power. If the power of attorney is not “durable,” it is revoked when you become incompetent. We may continue to honor the transactions of the agent until: (a) we have received written notice or have actual knowledge of the termination of the authority or the death of an owner, and (b) we have had a reasonable opportunity to act on that notice or knowledge. You agree not to hold us responsible for any loss or damage you may incur as a result of our following instructions given by an agent acting under a valid power of attorney.

STALE-DATED CHECKS - We are not obligated to, but may at our option, pay a check, other than a certified check, presented for payment more than six months after its date. If you do not want us to pay a stale-dated check, you must place a stop-payment order on the check in the manner we have described elsewhere.

UTMA ACCOUNTS - Under the Uniform Transfers to Minors Act, the funds in the account are owned by the child who has unconditional use of the account when he or she reaches the age of majority. Before that time, the account may be accessed only by the custodian (or successor custodian), and the funds must be used for the benefit of the child. We, however, have no duty or agreement whatsoever to monitor or insure that the acts of the custodian (or successor custodian) are for the child’s benefit. We are not responsible to monitor age or eligibility for an UTMA account, even though our records may include the minor’s date of birth. It is the custodian’s responsibility to properly distribute the funds in the account upon the minor’s death or attainment of the age of majority. For this type of account, the child’s SSN/TIN is used for the Backup Withholding Certification.

BACKUP WITHHOLDING/TIN CERTIFICATION - Federal tax law requires us to report interest payments we make to you of $10 or more in a year, and to include your taxpayer identification number (TIN) on the report (the taxpayer identification number is your social security number if you are an individual). Interest includes dividends, interest and bonus payments for purposes of this rule. Therefore, we require you to provide us with your TIN and to certify that it is correct. In some circumstances, federal law requires us to withhold and pay to the IRS a percentage of the interest that is earned on funds in your accounts. This is known as backup withholding. We will not have to withhold interest payments when you open your account if you certify your TIN and certify that you are not subject to backup withholding due to underreporting of interest. (There are special rules if you do not have a TIN but have applied for one, if you are a foreign person, or if you are exempt from the reporting requirements.) We may subsequently be required to begin backup withholding if the IRS informs us that you supplied an incorrect TIN or that you underreported your interest income.

TRUNCATION, SUBSTITUTE CHECKS, AND OTHER CHECK IMAGES - If you truncate an original check and create a substitute check, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image. If the payment obligation relating to the original check has already been paid. You also warrant that any substitute
check you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with our internal policy for retaining original checks. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

**UNLAWFUL INTERNET GAMBLING NOTICE** - Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

**INTERNATIONAL ACH TRANSACTIONS AND WIRE TRANSFERS** - Financial institutions are required by law to scrutinize or verify any international ACH transaction (IAT) and international wire transfer that they receive or process against the Specially Designated Nationals (SDN) list of the Office of Foreign Assets Control (OFAC). This action may, from time to time, cause us to temporarily suspend processing of an IAT or international wire and potentially affect the settlement and/or availability of such transactions. It is Altura's policy not to receive or send international wires from or to any OFAC sanctioned country.

ELECTRONIC FUND TRANSFERS
YOUR RIGHTS AND RESPONSIBILITIES

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

Electronic Fund Transfers Initiated By Third Parties. You may authorize a third party to initiate electronic fund transfers between your account and the third party’s account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check or draft to an electronic fund transfer or to electronically pay a returned check or draft charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and credit union information. This information can be found on your check or draft as well as on a deposit or withdrawal slip. Thus, you should only provide your credit union and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- **Preauthorized credits.** You may make arrangements for certain direct deposits to be accepted into your checking or share savings account(s).
- **Preauthorized payments.** You may make arrangements to pay certain recurring bills from your checking or share savings account(s).
- **Electronic check or draft conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking or share draft account using information from your check or draft to pay for purchases or pay bills.
- **Electronic returned check or draft charge.** You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check or draft is returned for insufficient funds.

Currency Conversion Transactions. You can make transactions in currencies other than U.S. dollars. If you do, Mastercard will convert the amount of the transaction to U.S. dollars. Mastercard uses either (1) a rate Mastercard selects from the range of rates available in wholesale currency markets for the applicable central processing date, or (2) a rate set by a government for the applicable central processing date. The conversion rate may be different from the published rate in effect on the day that you made the transaction or that we posted the transaction to your Account. In addition, the credit union will assess an additional fee equal to 0.2% of the transaction amount that requires a currency conversion.

NOTE: Please exercise discretion in verifying the type of currency that a merchant requires to complete a transaction.

Foreign/International Transactions. For authorized transactions (e.g. debit card purchases) with foreign or international merchants, which are processed in foreign countries, the credit union will assess an additional fee equal to 0.8% of the transaction amount.

NOTE: Please exercise discretion in verifying whether transactions with foreign merchants are processed in foreign countries. For example, the fee detailed in this section would be assessed for an internet transaction made by a consumer within the U.S., but with a foreign merchant that processes the purchase in a foreign country.

Advisory Against Illegal Use. You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

Mastercard Automatic Billing Updater Notice of Right to Opt Out. Your Altura Credit Union debit card will be automatically enrolled in the free Mastercard® Automatic Billing Updater (ABU) service. ABU helps participating merchants who receive recurring payments from your card have access to current card account information on file. For instance,
participating merchants will have access to information about card expiration, or if you report that your card has been lost or stolen. You are entitled to opt out of this service. You may opt out at any time.

If you want to opt out, email us at cardservices@alituracu.com. You must include your name and card number. If you opt out, you may opt back in if you decide you want the Mastercard Automatic Billing Updater service in the future. You may opt in the same way(s) that you can opt out.

1. If, through no fault of ours, you do not have enough money in your account to make the transfer.
2. If you have an overdraft line and the transfer would go over the credit limit.
3. If the automated teller machine where you are making the transfer does not have enough cash.
4. If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
5. If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
6. There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

1. Where it is necessary for completing transfers; or

You can lose no more than $50 if someone used your card and/or code without your permission, and, either:
  (i) your card can be used to initiate a transaction without a PIN or other personal identification number, or
  (ii) you tell us within 2 business days after you learn of the loss or theft of your card and/or code. If you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as $500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

1. Prepare for your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don’t leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements you receive.
4. Don’t lend your ATM card to anyone.
5. Remember, do not leave your card at the ATM. Do not leave any documents at a night deposit facility.
6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM card as though it were cash. Don’t tell anyone your PIN. Don’t give anyone information regarding your ATM card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don’t write your PIN where it can be discovered. For example, don’t keep a note of
7. Prevent others from seeing you enter your PIN by using your body to shield their view.

8. If you lose your ATM card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your card is lost or stolen.

9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.

10. Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.

11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.

12. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.

13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.

14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.

Your ability to withdraw funds

This policy statement applies to “transaction” accounts and savings accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Checking accounts are the most common transaction accounts. Feel free to ask us whether any of your other accounts might also be under this policy.

Our policy is to make funds from your cash, check, and electronic deposits generally available to you immediately. At that time, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If you make a deposit at an ATM before 12:00 A.M. (midnight) on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 12:00 A.M. (midnight) on a business day that we are open, we will consider that the deposit was made on the next business day we are open.

If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The
funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

LONGER DELAYS MAY APPLY

Case-by-case delays. In some cases, we will not make all of the funds that you deposit by check available to you immediately. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first $225 of your deposits, however, will be available immediately.

If we are not going to make all of the funds from your deposit available immediately, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Safeguard exceptions. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than $5,525 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first $5,525 of a day’s total deposits of cashier’s, certified, teller’s, traveler’s, and federal, state and local government checks will be available immediately if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over $5,525 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first $5,525 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

DEPOSITS AT AUTOMATED TELLER MACHINES

Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we own or operate will be available on the second business day after the day of deposit. Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we don’t own or operate will be available on the fifth business day after the day of deposit.

All ATMs that we own or operate are identified as our machines.

SUBSTITUTE CHECKS AND YOUR RIGHTS

As our member we think it’s important for you to know about substitute checks. The following Substitute Check Disclosure provides information about substitute checks and your rights. So you will recognize substitute checks when you receive them, we have included a copy of the front side of a substitute check along with an explanation of the substitute check’s components.

What is a substitute check?

To make check processing faster, federal law permits banks to replace original checks with “substitute checks.” These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: “This is a legal copy of your check. You can use it the same way you would use
the original check. You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

What are my rights regarding substitute checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to $2,500 of your refund (plus interest if your account earns interest) within 10 business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How do I make a claim for a refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at:

Altura Credit Union
Attn: Central Operations
PO Box 908
Riverside, CA 92502-0908
888-883-7228

You must contact us within 60 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include —

• A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
• An estimate of the amount of your loss;
• An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
• A copy of the substitute check or the following information to help us identify the substitute check: the check number, the amount of the check, the date of the check, and the name of the person to whom you wrote the check.
This is a LEGAL COPY of your check. You can use it the same way you would use the original check.
These numbers correspond with the numbers on the Substitute Check Image:

1. An image of the original check appears in the upper right-hand corner of the substitute check.
2. A substitute check is the same size as a standard business check.
3. The information in asterisks relates to the “reconverting bank”—the financial institution that created the substitute check.
4. The information in brackets (appears sideways facing check image) relates to the “truncating bank”—the financial institution that took the original check out of the check processing system.
5. The Legal Legend states: This is a LEGAL COPY of your check. You can use it the same way you would use the original check.
6. The MICR lines at the bottom of the substitute check are the same except for the “4” at the beginning of the MICR line on the substitute check, which indicates that it is a substitute check being moved forward for collection purposes. It is also possible for the MICR line on the substitute check to begin with a “5” if the item is being returned. The rest of the MICR line is the same as the original check to ensure that it is processed as though it were the original.

Compounding frequency - Unless otherwise paid, dividends will be compounded every month.

Crediting frequency - Dividends will be credited to your account every month or at maturity. Alternatively, you may choose to have dividends paid to you or to another account every month rather than credited to this account.
Dividend period - For this account type, the dividend period is monthly.

Minimum balance requirements:
The minimum balance required to open this account is $1,000.00. You must maintain a minimum daily balance of $1,000.00 in your account each day to obtain the disclosed annual percentage yield.

Daily balance computation method - Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

Accrual of dividends on noncash deposits - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations:
You may make withdrawals of principal from your account before maturity. Principal withdrawn before maturity is included in the amount subject to early withdrawal penalty.

You can withdraw dividends accrued in the term before maturity of that term without penalty. You can withdraw dividends anytime during the term of crediting after they are credited to your account.

Time requirements - Your account will mature at the end of the term selected.

Early withdrawal penalties (a penalty may be imposed for withdrawals before maturity) -
• If your account has an original maturity of 12 months or less:
  The penalty we may impose will equal 90 days’ or all dividends earned since the date of issuance or renewal, whichever is less.
• If your account has an original maturity of more than 12 months:
  The penalty we may impose will equal 180 days’ or all dividends earned since the date of issuance or renewal, whichever is less.

In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty. Other exceptions may also apply, for example, if this is part of an IRA or other tax-deferred savings plan.

For any account which earns a dividend rate that may vary from time to time during the term, the dividend rate we will use to calculate this early withdrawal penalty will be the dividend rate in effect at the time of the withdrawal.

Withdrawal of dividends prior to maturity - The annual percentage yield is based on an assumption that dividends will remain in the account until maturity. A withdrawal will reduce earnings.

Automatically renewable account - Account may automatically renew at maturity. You may prevent renewal if you withdraw the funds in the account at maturity (or within the grace period mentioned below, if any) or we receive written notice from you within the grace period mentioned below, if any. We can prevent renewal if we mail notice to you at least 30 calendar days before maturity. If either you or we prevent renewal your funds will be placed in a dividend-bearing account, or a non-dividend bearing account, or a check will be mailed at the discretion of the credit union.

Variable Rate - Each renewal term will be the same as the original term, beginning on the maturity date. Dividends will be calculated on the same basis as during the original term.

Fixed Rate - Each renewal term will be the same as the original term, beginning on the maturity date. The dividend rate will be the same we offer on new term share accounts on the maturity date which have the same term, minimum balance (if any) and other features as the original term share account. For promotional share certificate offers, the renewal term will be the closest shorter-term certificate of our standard advertised terms. For example, a 7-month promotional term will automatically renew into a 6-month standard term.

You will have a grace period of seven calendar days after maturity to withdraw the funds without being charged an early withdrawal penalty.

LIVING TRUST ACCOUNTS
The Credit Union has not received a copy of the Trust Instrument and
shall in no event be liable for its contents. Trustee(s) and not the Credit
Union assume full responsibility for enforcing the provisions of the Trust
Instrument.

MEMBERSHIP REQUIREMENTS
If this is a revocable trust, one or more trustor(s) is/are member(s) of the
Credit Union. If this is an irrevocable trust, either the trustor or
beneficiary must be members or, in the case of multiple trustors or
beneficiaries, all the trustors or beneficiaries must be members of the
Credit Union. All accounts opened in the name of the trust belong solely
to the trust. No transfer of voting rights or other membership privilege is
permitted by virtue of a transfer of shares. Accounts are not transferable,
as defined in 12 CFR Part 204. It is understood that the trust under the
Application and Agreement has no voting rights at any membership
meeting, although the individual member/trustor(s) retain their personal
voting rights if they retain individual membership at the Credit Union.

CHANGE IN PARTIES OR TERMS OF THE TRUST
If there is a change in the parties or terms of the trust, including, but not
limited to, a change in trustor(s) or trustee(s), all trustor(s) and
trustee(s) agree to execute a new Application and Agreement. Such
change shall not be effective until the Credit Union has received a
properly completed and executed Application and Agreement and has had
a reasonable opportunity to act on it. In the event of a change of address
of trustor(s)/trustee(s), the trustee(s) agree to notify the Credit Union
promptly of such change(s).
AUTHORITY TO ACT

Trustee(s) certify that they are duly appointed under the Trust Instrument and that, by the authority vested in them under the Trust Instrument, any trustee, acting alone or jointly, is authorized and empowered to transact business of any kind in connection with the trust accounts at the Credit Union and agree that any transaction by the trustee(s), acting alone or jointly, shall be valid and discharge the Credit Union from any liability.

TRANSACTION OF BUSINESS

Trustee(s) may authorize the transaction of any business on accounts held at the Credit Union in the name of the trust by their oral or written instruction to the Credit Union. Trustee(s) may obtain funds from the trust’s accounts in their names or the names of third parties upon trustee’s written or oral instruction.

LOANS TO TRUST

Trustee(s) agree that if they borrow from the Credit Union and use trust assets as collateral, then the trustor(s) or the trustee(s), as members of the Credit Union, will, by signing all documents relating to the loan, obligate themselves as individuals in addition to the signatures of the trustee(s) on behalf of the Trust.

TRUST INSTRUMENT

If the trustee(s) named on the Application and Agreement borrow from the Credit Union and the Trust Instrument must be examined by a third party (for example, a title company), the Credit Union agrees to forward a copy of the Trust Instrument from the trustee(s) to the third party only if trustee(s) present a sealed envelope, containing the Trust Instrument to the Credit Union. The Credit Union will not accept copies of the Trust Instrument that are not in a sealed envelope. Further, the Credit Union will not keep any Trust Instrument in its files or be liable for the contents of the Trust Instrument. The trustee(s) shall sign on a form designated by the Credit Union that the Credit Union has received the Trust Instrument in a sealed envelope when the trustee(s) present(s) the Trust Instrument to the Credit Union.

TRUSTEE’S CERTIFICATION OF TRUST

Trustor(s) and trustee(s) acknowledge and agree that the Credit Union is relying upon the statements, representations and warranties made by the trustor(s) and trustee(s) contained in the Application and Agreement, and that the Credit Union shall not be responsible in any way for verifying either the existence, validity, or legality of the trust itself, or the authority or powers of the trustee(s) under the governing Trust Instrument to establish, maintain, or transact any business on the Trust accounts. The Credit Union reserves the right at any time to require the trustee(s) to execute and provide a Trustee’s Certification of Trust pursuant to California Probate Code § 18100.5, in form and substance acceptable to the Credit Union, affirming the existence of the Trust and the authority and powers of the trustee(s) thereunder.

SUCCESSOR TRUSTEES

Trustee(s) affirm that the successor trustee(s) is/are bound under the Trust Instrument to serve, and are authorized and fully qualified to act as trustee(s) in the event that all of the trustee(s) named in the Application and Agreement resign, die, become incapacitated, or otherwise become unable to act as trustee(s) of the trust. The Application and Agreement will not be approved unless successor trustee(s) are designated.

Trustee(s) agree to promptly notify the Credit Union if any of the trustor(s) or trustee(s) die or become incapacitated. Prior to any successor trustee(s) transacting business on accounts held at the Credit Union in the name of the Trust, the successor trustee(s) must provide the Credit Union with either a letter of resignation signed by the existing trustee(s) or a certified copy of the death certificate for the trustee(s). The successor trustee(s) must complete a new Application and Agreement as well as a Trustee’s Certification of Trust. Death, resignation, or incapacity of any trustee or trustor shall not revoke the authority of the Credit Union to act under the Application and Agreement until written notice of the death, resignation, or incapacity has been presented to the Credit Union and the Credit Union has reasonable opportunity to act on it. However, upon presentation of a certified copy of trustee’s(s’) death certificate(s) of incapacity, the Credit Union is authorized to act upon designated successor trustee(s) instruments in accordance with the terms of the Application and Agreement.

Successor trustee(s) shall close all accounts opened under the Application and Agreement within ninety (90) days after receiving notification of death, resignation, or incapacity of the trustee(s). The Credit Union is authorized, but not required, to close any accounts opened under the
INTERPLEADER ACTIONS

INDEMNITY
Trustor(s) and trustee(s) acknowledge and agree that the Credit Union’s sole obligation to the trustor(s)/trustee(s) is as a depository institution and is a debtor/creditor relationship and nothing in the Application and Agreement or in the Trust Instrument shall be construed to impose any duties or obligations whatsoever upon the Credit Union as a trustee or other fiduciary under the Trust Instrument or otherwise. Trustor(s) and trustee(s) hereby agree for the trust, themselves, and all Trust beneficiaries for the life of the trust and the statutory life of any cause of action involving any account of the trust to indemnify and hold harmless the Credit Union from any and all claims, suits, actions, damages, judgments, costs, and attorneys’ fees resulting from any and all liability, loss, and damage of any nature whatsoever that the Credit Union shall or may sustain resulting from the establishment, maintenance, and transaction of any business on any trust account at the Credit Union.
