

## Wire Transfer Instructions

**Domestic Incoming/Receiving Wires:** Please use the following instructions for any wires within the United States. You will need to provide this information to the Financial Institution that is sending the wire to your Altura Account.

**Bank Name:** Altura Credit Union

**Bank Address:** 2847 Campus Parkway Riverside, CA 92507

**Routing/ABA Number:** 322281235

**Beneficiary Name:** (your name)

**Beneficiary Address:** (your address)

**Beneficiary Account Number:** 13-digit MICR Account Number

(This can be located via logging into your Account, click on the share you would like the funds wired into, click on Account Details, MIRC Account Number, it is a full 13-digits in length)

### Outgoing/Sending Wires:

An outgoing domestic or international wire request may be completed in person at any of our Altura Credit Union Branch Locations. All wire transfer requests must be received by 12:00pm PST for same business day processing. Information needed to process your wire are as follow:
